

ARCHITECTURE TOUR

Come explore and learn about the Commissariat (aka the BYTOWN MUSEUM), Ottawa's oldest stone building, and its history. Find out just how crucial it's been in Ottawa's development through the ages.

This in depth tour gives you a detailed explanation of the building's many uses, what materials were used to build it, and a look into the architectural details and stylings found throughout the building. In addition to a fascinating look at the building itself, this tour lets you hear the stories of the people who lived in it, and their unique contributions to the Commissariats story.
